

Groups Reservations - Summer

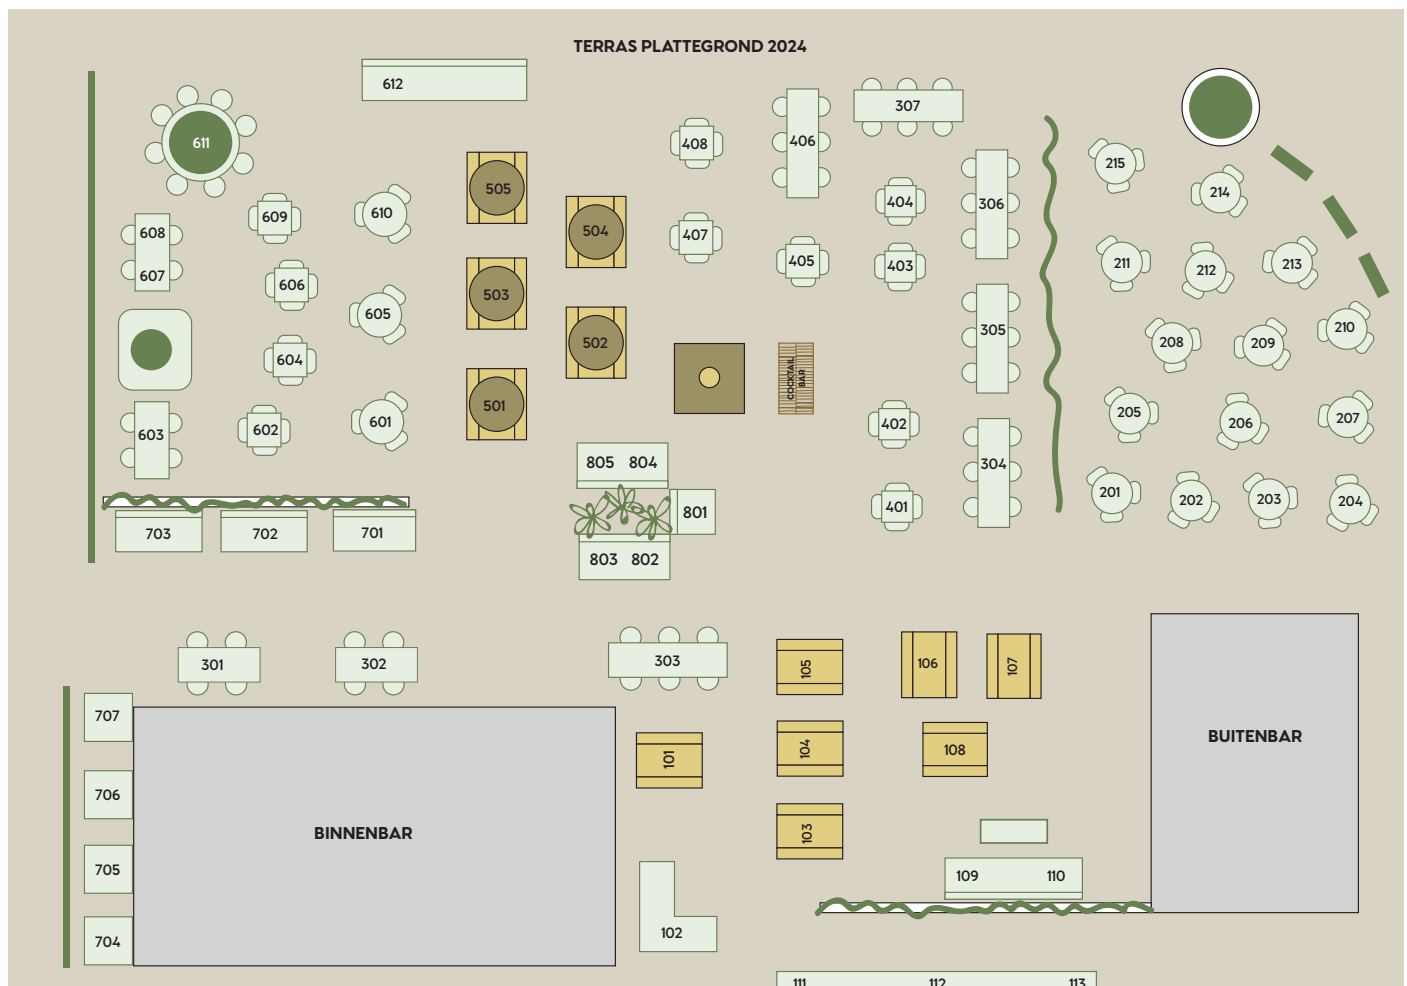

De Vondeltuyn is proud to offer a relaxed, family-friendly venue set in the beautiful Vondelpark. With our laid-back vibes and friendly staff, De Vondeltuyn makes a great location for all kinds of events.

We are happy to welcome groups from 15+ people for baby showers, children's birthday parties, drinks and more. Snacks and a choice of Dutch Bar (house beer and wines, soft drinks and coffee or tea), the Dutch Bar plus (everything in the Dutch Bar, plus all our speciality beers), or Open Bar (everything on our menu) are available, and we can also arrange for brunches, lunches, or dinners if you're looking for something more substantial. Read on to find out more!

Location

We can place your group between our two bars (the 100 section) under our large yellow parasols - ideal for events with children involved, as they have easy access to the playground next door! If you prefer to party in the sun, we can place you on the other side of the terrace where there are standing tables (the 500 section)

We take on just one or two large groups per day, to ensure that we can fit everyone under the awnings in case of bad weather (the parasols are also equipped with heaters). Unfortunately, due to our limited indoors space we do not take on any reservations for indoors during the terrace season (see our terms and conditions for details). All group reservations are for 3 hours, unless otherwise agreed.

Food and Drink

We give you as the host the option to offer your guests a Dutch Bar (just the house beer, house wines, soft drinks and tea or coffee), the Dutch Bar plus (everything in the Dutch Bar, plus all our speciality beers) or an Open Bar (with everything on our menu). Our terrace is self-service, so you order yourselves from one of our bars. We will put all the drinks on your tab. If you prefer, everyone can pay for themselves.

Drinks can be served in a couple of different ways. Either your guests can order themselves from either of the two bars and bring their drinks back to the party area, or we can set up a drinks buffet for you, with your choice of drinks in an ice-filled wheelbarrow that you and your guests can help yourselves from. If you choose the second option then we will discuss in advance with you which drinks you would like to have included, bottles of beer and wine for example. In this way you and your guests can relax and enjoy the day without needing to go to and from the bar.

Our wines are selected with love and care by our skilled team, but if you have a special bottle you would like to bring that is also possible; for this we charge €15 per bottle corkage. Please note this is only possible for one or two bottles.

Snacks can be ordered from our menu as required on the day itself; we suggest that you allow 20-30 minutes for them to be served from the time of ordering. If you prefer to have it arranged in advance you can order a snacks arrangement.

If you would rather offer your guests a more substantial meal, we have set dinner menus for groups. Unfortunately, we are not permitted to have a real BBQ, but are very happy to provide similar fare!

We also have a groups menu for lunches, including sandwiches and salad to share.

As standard we have apple pie and cheesecake on our menu, but don't offer birthday cake as standard. If you would like to bring your own we charge €1,50 per person "plate money", and we happily waive that fee if your total bill goes over €350.

We can recommend cakes from Hema (the nearest location is at Sloterkade 133) or De Drie Graefjes (Stadionplein).

Make it Special

It's not a party without balloons, right? You are very welcome to bring your own decorations (except for confetti, which is not permitted due to the environmental impact). We would just ask that you please take everything away with you when you leave.

Music is sadly not permitted on our terras.

Well-behaved dogs on leads are very welcome!
